

## PHASE II WORK (APRIL 2006 - SEPTEMBER 2007)

- ❑ **I-85 Southbound lane** traffic will be shifted onto the newly completed outside lanes and shoulder of the southbound lanes from just south of old Union Church Road to beginning of project.
- ❑ **I-85 Northbound lane** traffic will be shifted onto the existing northbound lanes from beginning of project to just south of Old Union Church Rd. Northbound traffic will return to the existing northbound lanes south of Old Union Church Rd utilizing a temporary crossover. With traffic in this pattern construct the remaining northbound inside lanes, median shoulder and second stage of the northbound bridge over McCaless Rd.
